# Industrial Furnaces & Ovens

**FAST**

**ACCURATE**

**EFFICIENT**

Ignio gas fired conveyor ovens feature a highly convective interior for optimal heat transfer and uniformity, delivering the precision required to maximize productivity and quality. Our compact maintenance-friendly furnace designs minimize energy consumption while maximizing throughput.

Model Number	Width		Length			Clearance Height		Power	
	inch	mm	inch	ft	mm	inch	mm	BTU	kW
ISC-3020g	12	300	80	6.7	2000	6	150	300,000	88
ISC-4030g	16	400	120	10.0	3000	6	150	600,000	175
ISC-5040g	20	500	160	13.3	4000	6	150	800,000	234
ISC-6040g	24	600	160	13.3	4000	8	200	1,000,000	293
